1. INTRODUCTIONS

The Chairman welcomed Professor André McLean (University College Medical School, London) who was attending as a member for the day. The Chairman and the Committee welcomed Dr Paul Adams as Medical Assessor to the Committee and congratulated him on his appointment to Principal Medical Officer.

26. PAPER GEM 88/5/14 - BOVINE SPONGIFORM ENCEPHALOPATHY (PAPER)

The Committee noted that this paper would be put to the Biologicals Sub-Committee for their expert consideration and that there would be an opportunity for the GEM to consider further.

29. DATE OF NEXT MEETING.

10 January 1989.
