

# Responsibility Sharing Options

## **Option A Full Partnership Working**

- Industry represented on key Defra Boards. Ministers take decisions and retain responsibility.

## **Option B Statutory advisory non departmental public body**

- New body gives formal advice to Defra and Ministers. Ministers take decisions and retain responsibility.

## **Option C Independent body (Non ministerial department, Executive non departmental public body)**

- New body fully responsible, takes decisions, carries them out

## **Option D Industry Mutual organisation**

- New body decides on level of industry funding, agrees strategies and actions with Defra. Defra and industry carry them out by mutual agreement.

## **OPTION 1 Levy on livestock at slaughter, and milk**

**delivered** – collected at slaughterhouses, hatcheries and dairies

## **OPTION 2 Periodic (annual) levy on producers based**

**on numbers of animals kept** – through registration, licensing or declaration system

## **OPTION 3 Product or service charge** - for example charging

for animal identity passports or charge on sale of animal

## **OPTION 4 Insurance** – compulsory requirement or

complementary support
